**Minutes of Public Hearing  
Conducted on October 13, 2020**

On October 13, 2020, as part of the regular monthly meeting of Charleston City Council, a public hearing was conducted. The subject of the public hearing was the city's application for funding under the Community Development Block Grant program.

At the appropriate point, the regular meeting of the City Council was suspended and the public hearing opened.

City Manager Richard Goode explained the city's proposed scope of work, the grant application process, and the public hearing process.

The following Charleston residents attended the hearing:

Jayne Ellen Ray  
Tiffany Shankle  
Sheila Shankle  
Nancy Tatum  
Kenny Hulshof (not a Charleston resident but owns property in Charleston)

Mr. Goode first asked if any of the attendees cared to make public comments regarding the city's application for the CDBG funding.

- Kenny Hulshof said the city should be doing the work in question and applying for the grant and offered whatever help he could provide on behalf of the city.
- Sheila Shankle said she was glad to see the city was applying for the grant.

Mr. Goode then distributed the Community Needs Assessment forms and went over the form with the attendees. After brief discussion, the attendees decided to complete on collective Community Needs Assessment form, which is attached as part of these hearing minutes.

After attendees had completed the Community Needs Assessment form, the public hearing was ended, and City Council returned to its regular monthly meeting.
